

CURRICULUM VITAE

NAME: Michael Allan Moore, M.D., FACP, FAHA

ADDRESS: Office of Continuing Medical Education
Danville Regional Medical Center
142 South Main Street
Danville, Virginia 24541
Telephone: (434) 799-2178
E-mail: mam@learning-systems.net

PERSONAL INFORMATION:

BIRTHPLACE: Wilmington, North Carolina

BIRTH DATE: July 2, 1944

CITIZENSHIP: United States of America

MARITAL STATUS: Married: Janet Middleton Moore, BSN
Son: David Michael Moore, BS, MIS
Son: Allan Frederick Moore, BA, MD

EDUCATION:

1962-1966 University of North Carolina at Chapel Hill
Chapel Hill, North Carolina
BA (Chemistry)

1966-1970 University of North Carolina School of Medicine
Chapel Hill, North Carolina
MD

POSTDOCTORAL TRAINING:

1970-1971 Straight Medicine Internship
The Johns Hopkins Hospital
Baltimore, Maryland

1971-1972 Junior Assistant Residency in Medicine
The Johns Hopkins Hospital
Baltimore, Maryland

1972-1974 Nephrology Fellowship: Hypertension Research and Clinical Nephrology
The Johns Hopkins Hospital
Baltimore, Maryland

UNIFORMED SERVICE:

1974-1976 Major, U. S. Air Force
Nephrologist, Keesler Medical Center
Chief, Hypertension Service
Biloxi, Mississippi

PROFESSIONAL LICENSURE:

1970 North Carolina
1979 Virginia

SPECIALTY CERTIFICATION:

1973 American Board of Internal Medicine
1986 Nephrology Subspecialty Certification
1999 Hypertension Specialist, American Society of Hypertension

POSITIONS:

1999-Present Clinical Professor of Internal Medicine (Nephrology) & Surgical Science
Wake Forest University School of Medicine
Winston-Salem, North Carolina

1984-1999 Associate Clinical Professor of Medicine
Department of Medicine, Division of Nephrology
Bowman Gray School of Medicine
Winston-Salem, North Carolina

1988-Present Clinical Professor of Medicine
University of North Carolina School of Medicine
Chapel Hill, North Carolina

2000-Present Hypertension Consultant
Family Healthcare Clinic
Danville, Virginia

1979-1999 Nephrologist
Danville Urologic Clinic
Danville, Virginia

1979-1984 Assistant Clinical Professor of Medicine
Department of Medicine, Division of Nephrology
Bowman Gray School of Medicine
Winston-Salem, North Carolina

- 1976-1979 Assistant Professor of Medicine
Department of Medicine, Division of Nephrology
Bowman Gray School of Medicine
Winston-Salem, North Carolina
- 1973-1974 Lecturer
School of Health Services
The Johns Hopkins Hospital
Baltimore, Maryland

OTHER PROFESSIONAL APPOINTMENTS AND ACTIVITIES:

Hospital Committees:

- 1978-1979 Committee for Continuing Education
Bowman Gray School of Medicine
- 1979-1980 Continuing Education Committee
Danville Regional Medical Center
- 1981-1982 Chairman
Morbidity and Mortality Committee
Danville Regional Medical Center
- 1982-1983 Chairman
Intensive Care Unit Committee
Danville Regional Medical Center
- 1982-1984 Coordinator
Continuing Medical Education
Department of Medicine
Danville Regional Medical Center
- 1987-1989 Vice Chairman
Department of Medicine
Danville Regional Medical Center
- 1990-Present Director
Continuing Medical Education
Danville Regional Medical Center
- 1995-Present Continuous Quality Improvement Committee
Danville Regional Medical Center

1996-Present Danville Regional Health Foundation
Board of Directors
Vice Chairman, 1997-1998
Chairman, 1998-Present

Faculty Committees:

1977-1979 Director
Clinical Research Unit
Bowman Gray School of Medicine

Editorial Boards:

1996-Present Editorial Board
American Journal of the Medical Sciences

1999-Present Editorial Board
Journal of Clinical Hypertension

2002-Present Editorial Board
Clinical Therapeutics

Extramural Committees:

1976-1979 Chairman
Forsyth County Heart Association
Hypertensive Screening, Education

1976 Member
Hypertension Work Group
North Carolina Heart Association

1978-1979 Chairman
Hypertension Work Group
North Carolina Heart Association

1979-Present Danville-Pittsylvania County Academy of Medicine
Public Relations Committee (1985)

1986-1987 Chairman, Subcommittee on Hypertension
American Heart Association, Virginia Affiliate

1984-1989 National Program Committee
American Heart Association, Dallas, Texas

- 1984-1989 American Heart Association Representative to the National High Blood Pressure Education Program Coordinating Committee for the National Institutes of Health
- 1987-1989 Chairman, Long Range Planning Committee
National High Blood Pressure Education Program
Coordinating Committee for the National Institutes of Health
- 1987-1988 Member
Fourth Joint National Committee on Detection, Evaluation and Treatment of High Blood Pressure
National High Blood Pressure Education Program
NHLBI, National Institutes of Health
- 1989 Chairman
Working Group on High Blood Pressure and Chronic Renal Failure
National High Blood Pressure Education Program
NHLBI, National Institutes of Health
- 1989-Present Medical Education Committee
Medical Society of Virginia, Richmond, Virginia
Member, 1989
Co-Chairman, 1994-Present
- 1990 Invited Participant
NIH Workshop on Kidney Disease and Hypertension in Blacks
National Institutes of Health
- 1990-1991 Chairman
Working Group to Develop Plan for Reducing Hypertensive End Stage Kidney Disease for the National High Blood Pressure Education Coordinating Committee
National Institutes of Health
- 1991-1992 Member
Fifth Joint National Committee on Detection, Evaluation and Treatment of High Blood Pressure
National High Blood Pressure Education Program
National Institutes of Health
- 1991 Steering Committee
Nephrology Center of Excellence
School of Medicine
University of North Carolina
- 1991 - 1993 External Facilitator/Lecturer
Virginia Insurance Reciprocal
- 1993 Consensus Panel, Hypertension in Diabetes Mellitus

- American Diabetes Association
Orlando, Florida
- 1993-1995 Continuing Education Committee
American Society of Hypertension
- 1994 Electronic Communication Project
High Blood Pressure Education Program
NHLBI, National Institutes of Health
- 1994 Consensus Panel, Diabetic Nephropathy
American Diabetes Association
San Francisco, California
- 1994 Subcommittee on Electronic Medical Education of the Education
Committee
Medical Society of Virginia
- 1995 Task Force on Establishing Networks
Consortium of Southeastern Hypertension Centers
- 1996-Present Committee on Professional and Public Education
Council for High Blood Pressure Research
American Heart Association
Member, 1996-Present
Chairperson, 2002-2006
- 1996-Present National Research Grant Review Panel
American Diabetes Association
- 1996 Member
Sixth Joint National Committee on Detection, Evaluation and Treatment
of High Blood Pressure
National High Blood Pressure Education Program
NHLBI, National Institutes of Health
- 2003 Reviewer
Seventh Joint National Committee on Detection, Evaluation and Treatment of
High Blood Pressure
National High Blood Pressure Education Program
NHLBI, National Institutes of Health

Consultancies:

- 1993-Present Consultant to the National High Blood Pressure Education Program

NHLBI, National Institutes of Health

1995-1996 Consultant to Division of Adult Health Promotion, North Carolina Department of Environment, Health and Natural Resource, Raleigh, North Carolina

Special Projects:

1990-1992 Faculty Member/Contributing Author
The Core Content Review of Family Medicine
Columbus, Ohio

1995 Hypertension Management Protocol and Manual authored; served as expert resource for the Control of Hypertension in the Economically Challenged Patient. Division of Adult Health Promotion, State of North Carolina

1995 Hypertension Screening Component, Cardiovascular Project, Breast Cancer and Cervical Cancer Screening Program (funded through CDC grant). Authored teaching materials, instructed public health nurses, and served as expert resource.

Division of Adult Health Promotion, State of North Carolina

2002 Writing Group, Best Clinical Practices
Consortium for Southeastern Hypertension Control

PROFESSIONAL MEMBERSHIPS:

1972-Present American Heart Association

1972-1974 Maryland Heart Association

1974-Present American Federation for Clinical Research

1974-Present American Society of Nephrology

1974-Present The American College of Physicians
Member, 1974
Fellow, 1979

1975-Present International Society of Nephrology

1975-Present Johns Hopkins University Alumnae Association

1975-Present Johns Hopkins Medical and Surgical Association

1979-Present American Medical Association

1979-1980 Danville-Pittsylvania County Heart Association

1994-Present Alliance for Continuing Medical Education

HONORS AND AWARDS:

- 1969 Alpha Omega Alpha
- 1970 George C. Thrasher Award
Outstanding Performance in Psychiatry
University of North Carolina School of Medicine
- 1974 Air Force Commendation Medal
Outstanding Contributions to Hypertensive Management and Research
U.S. Air Force Medical Center, Kessler Air Force Base
- 1977 Founders Award, Distinguished Leadership
North Carolina Heart Association
- 1978 Achievement Recognition Award, Distinguished Service
North Carolina Heart Association
- 1979 Teaching Excellence Award
Bowman Gray School of Medicine
- 1979 Certificate of Appreciation Award
Service in Advancing the Heart Program
North Carolina Heart Association
- 1981 American Heart Association Special Award
Energy, Enthusiasm, and Leadership in Program Development
Virginia Heart Association
- 1982 Bronze Medallion, Meritorious Service Award
Virginia Heart Association
- 1983 Silver Medallion, Distinguished Achievement Award
Virginia Heart Association
- 1984 Silver Medallion, Meritorious Service Award
Virginia Heart Association
- 1986 Certificate of Appreciation Award
Service to the Hypertension Committee
Virginia Heart Association
- 1993 Recognition Award

Contributions to the Goals of the National High Blood
Pressure Education Program
National Heart, Lung and Blood Institute
National Institutes of Health

- 1998 COSEHC Recognition Award
Consortium of Southeastern Hypertension Control
Awarded at 5th Annual Meeting, Atlanta, Georgia
- 2003 Community Service Award given to DRchip
Founders: M. Moore, T. Motley, K. Plumb
Awarded by the International Society of Hypertension in Blacks
- 2004 Physician of the Year
American Heart Association
Awarded at the 2004 National Volunteer Leadership Conference
Washington, D.C.
- 2004 Recognition Award by the Medical Society of Virginia
For Development Enhanced Competency Medical Education
- 2004 House of Delegates Joint Resolution # 5038
Commending Dr. Michael A. Moore for his devotion to improving the health of
the citizens of the Dan River Region
Commonwealth of Virginia Assembly

COMMUNITY ACTIVITIES:

- 1983-present Academic Boosters Club
Chairman, Fund Raising Committee, 1983-1984
Chairman, Trust Committee, 1984-1985
Danville Public Schools
- 1986 Danville Development Council, Danville, Virginia
- 1993 American Cancer Association
Board of Directors
Danville, Virginia
- 1997-Present Danville Regional Health Systems Foundation
Board of Directors
Executive Committee of the Board of Directors
Chairman, 1998-Present
- 1999-Present Dan River Cardiovascular Health Initiative Program (DRchip)
Medical Director, Founding Member
Danville, Virginia

VISITING PROFESSORSHIPS:

- 1985 The Medical Center, Columbus, Georgia
Grand Rounds: Diuretic Induced Hypokalemia
Noon Conference: Acute Renal Failure
- 1989 Eli Lilly Research Laboratories, Indianapolis, Indiana
Weekly Staff Conference: End Stage Renal Disease
Research Seminar: Mechanisms of ESRD
- 1991 Creighton University School of Medicine, Department of Internal Medicine
Midwest Hypertension Research Institute, Omaha, Nebraska. Grand Rounds:
“The National Tragedy of Hypertensive Kidney Failure”
- 1993 George Washington University, Physicians Assistant Program, Washington, DC.
“Case Studies in Hypertension: New Treatment Guidelines”
- 1994 Churchill Hospital, Oxford University, Oxford, England. Renal Unit Conference:
“The Epidemic of End Stage Kidney Disease in the United States”
- 1995 Queens Medical Center, University of Hawaii School of Medicine, Honolulu,
Hawaii. “The Emerging Role of Angiotensin II in Hypertension”
- 1996 Westchester County Medical Center, Valhalla, New York. Grand Rounds: “The
Emerging Role of Angiotensin II in Hypertension”
Nephrology Seminar: “Preventing ESRD”
- 1997 St. Francis Medical Center, Honolulu, Hawaii. Grand Rounds: “Preventing End
Stage Renal Disease”
- 1997 Queens Medical Center, University of Hawaii School of Medicine, Honolulu,
Hawaii. Grand Rounds: “What Should Be the Goal of Hypertension Control?”
- 1999 San Juan Batista School of Medicine, San Juan, Puerto Rico. Grand Rounds:
“The Role of Angiotensin II in Hypertension”
- 1999 Medical University of South Carolina. Graduate Class in Epidemiology: “The
National High Blood Pressure Education Program—a New Approach to a
Cardiovascular Epidemic”
- 2002 University of Hawaii School of Medicine, Honolulu, Hawaii. Internal Medicine
Residency Program, 5 Cardiovascular Presentations

GRAND ROUNDS PRESENTATIONS:

- Moore, MA. Outpatient Management of Hypertension. Grand Rounds, Johnson City Medical Center, Johnson City, Tennessee, June 20, 1986.
- Moore, MA. ESRD--A Virginia Epidemic. Nephrology Grand Rounds, Medical College of Virginia, Richmond, Virginia, September 16, 1992.
- Moore, MA. The ESRD Crisis. Preventive Medicine Grand Rounds, Rush-Presbyterian St. Luke's Medical Center, Chicago, Illinois, April 13, 1993.
- Moore, MA. The JNCV Report. Grand Rounds, Hilo Hospital, Hilo, Hawaii, August 6, 1993.
- Moore, MA. Role of Angiotensin II in Hypertension. Medicine Grand Rounds, Brookdale Medical Center, Brooklyn, New York, November 10, 1995.
- Moore, MA. Role of Angiotensin II in Hypertension. Medicine Grand Rounds, St. Johns Medical Center, Queens, New York, November 10, 1995.
- Moore, MA. The Emerging Role of Angiotensin II in Hypertension. Grand Rounds, Riverside Medical Center with Teleconferencing to Rappahannock General Hospital, Newport News, Virginia, March 7, 1996.
- Moore, MA. Slowing the Increasing Incidence of End Stage Renal Disease. Medical Grand Rounds, Montefiore Medical Center, Albert Einstein College of Medicine, Bronx, New York, April 16, 1996.
- Moore, MA. The Emerging Role of Angiotensin II in Hypertension. Medical Grand Rounds, Lincoln Medical Health Center, Bronx, New York, April 16, 1996.
- Moore, MA. The Role of Angiotensin II in Hypertension. Clinical Pharmacology Grand Rounds, New York Hospital, New York, New York, April 19, 1996.
- Moore, MA. The Role of Angiotensin II in Hypertensive and Diabetic Renal Disease. Grand Rounds, Allegheny Medical Center (formerly Hahnemann), Philadelphia, Pennsylvania, September 4, 1996.
- Moore, MA. A Targeted Approach to the Treatment of Hypertension. Grand Rounds, City Hospital, Martinsburg, West Virginia, February 6, 1997.
- Moore, MA. Angiotensin II Receptor Blockers. Medical Ground Rounds, Raritan Medical Center, Perth Amboy, New Jersey, April 22, 1997.
- Moore, MA. The Emerging Role of Angiotensin II in Hypertension. Grand Rounds, Putnam Hospital, Peekskill, New York, June 12, 1997.
- Moore, MA. Role of Angiotensin II in Hypertension. Family Medicine Grand Rounds, Duke University Medical Center, Durham, North Carolina, August 21, 1997.
- Moore, MA. What Should Be the Goal of Hypertension Control? Family Medicine Grand Rounds, Kaiser Permanente Medical Centers, Maui and Honolulu, Hawaii, October 30, 1997.

Moore, MA. Emerging Role of Angiotensin II in Cardiovascular Disease. Grand Rounds, Chester County Hospital, West Chester, Pennsylvania, May 15, 1998.

Moore, MA. The Emerging Role of Angiotensin in Hypertension. Department of Medicine Grand Rounds, Eastern Virginia School of Medicine, Norfolk, Virginia, January 20, 1999.

Moore, MA. Clinical Controversies in Hypertension. Medical Grand Rounds, David Grant Medical Center, Travis Air Force Base, Fairfield, California, April 28, 1999.

Moore, MA. The Role of Angiotensin II in Hypertension. Medical Grand Rounds, Mercy Healthcare System, Sacramento, California, April 30, 1999.

Moore, MA. Strategies to Reduce the Increasing Incidence of End Stage Renal Disease. Medical Grand Rounds, MCP Hahnemann Medical University, Philadelphia, Pennsylvania, June 2, 1999.

Moore, MA. Emerging Role of Angiotensin II in Cardiovascular Disease. Medical Grand Rounds, Trinity Lutheran Hospital, Kansas City, Missouri, March 22, 2000.

Moore, MA. Emerging Role of Angiotensin II in Cardiovascular Disease. Medical Grand Rounds, Satilla Regional Medical Center, Tifton, Georgia, April 12, 2000.

Moore, MA. Improving Hypertensive Patient Compliance. Medical Grand Rounds, Memorial Hospital, South Bend, Indiana, September 15, 2000.

Moore, MA. Emerging Role of Angiotensin II in Cardiovascular Disease. Medical Grand Rounds, St. Joseph's Medical Center, Baltimore, Maryland, October 25, 2000.

Moore, MA. Emerging Role of Angiotensin II in Cardiovascular Disease. Medical Grand Rounds, Wright-Patterson Air Force Medical Center, Dayton, Ohio, October 31, 2000.

Moore, MA. Emerging Role of Angiotensin II in Cardiovascular Disease. Medical Grand Rounds, George Washington University Medical Center, Washington, DC, November 6, 2000.

Moore, MA. The Emerging Role of Angiotensin II in Cardiovascular Disease. Medical Grand Rounds, Good Samaritan Hospital, Cincinnati, Ohio, November 14, 2000.

Moore, MA. The Emerging Role of Angiotensin II in Cardiovascular Disease. Department of Medicine Grand Rounds, Indiana University School of Medicine, Indianapolis, Indiana, January 24, 2001.

Moore, MA. The Emerging Role of Angiotensin II in Cardiovascular Disease. Grand Rounds, Community East Hospital, Indianapolis, Indiana, January 24, 2001.

Moore, MA. The Emerging Role of Angiotensin II in Cardiovascular Disease. Medical Grand Rounds, Columbus Regional Hospital, Columbus, Indiana, January 25, 2001.

Moore, MA. Angiotensin II in Renal Disease. Grand Rounds, Department of Surgical Sciences, Wake Forest University School of Medicine, Winston-Salem, North Carolina, April 17, 2001.

Moore, MA. The Emerging Role of Angiotensin II in the Treatment of Hypertension. Grand Rounds, Nyack Hospital, Nyack, New York, May 21, 2001.

Moore, MA. The Emerging Role of Angiotensin II in the Treatment of Hypertension. Grand Rounds, Community Medical Center, Toms River, New Jersey, May 24, 2001.

Moore, MA. The Emerging Role of Angiotensin II in the Treatment of Hypertension. Medical Grand Rounds, Deborah Heart and Lung Center, Browns Mill, New Jersey, May 24, 2001.

Moore, MA. Hypertension Update. Medical Grand Rounds, Wilson Memorial Regional Medical Center, Johnson City, New York, August 16, 2001.

Moore, MA. New Treatment Options in the Management of Hypertension. Medical Grand Rounds, Lawrence General Hospital, Methuen, Massachusetts, October 24, 2001.

Moore, MA. The Hypertension-Lipid Connection. Grand Rounds, Leonard Morse Hospital, Natick, Massachusetts, October 25, 2001.

Moore, MA. The Diabetic Patient: Emerging Concepts. Medical Grand Rounds, St. Joseph Hospital, Towson, Maryland, October 26, 2001.

Moore, MA. Outpatient Management of Hypertension. Medical Grand Rounds, Winchester Medical Center, Winchester, Virginia, November 21, 2001.

Moore, MA. The Emerging Role of Angiotensin II in Cardiovascular Disease. Medical Grand Rounds, Rex Hospital, Raleigh, North Carolina, April 18, 2002.

Moore, MA. Strategies to Slow the Epidemic of ESRD. Medical Grand Rounds, Kuakini Medical Center, Honolulu, Hawaii, April 22, 2002.

Moore, MA. Role of Angiotensin II in Cardiovascular Disease. Department of Medicine Grand Rounds, University of Hawaii School of Medicine, Queens Medical Center, Honolulu, Hawaii, April 23, 2002.

Moore, MA. Strategies to Slow the Epidemic of ESRD. Medical Grand Rounds, Kaiser Permanente Medical Center, Honolulu, Hawaii, April 24, 2002.

Moore, MA. Practical Approach to Managing the Hypertensive Diabetic Patient. Medical Grand Rounds, St Francis Hospital, Honolulu, Hawaii, April 25, 2002.

Moore, MA. Methods to Improve Patient Compliance. Medical Grand Rounds, Tripler Army Medical Center, Honolulu, Hawaii, April 25, 2002.

Moore, MA. Practical Approach to Managing the Hypertensive Diabetic Patient. Medical Grand Rounds, Queens Medical Center, New York, New York, April 26, 2002.

Moore, MA. The Emerging Role of Angiotensin II in Cardiovascular Disease. Medical Grand Rounds, Allegheny General Hospital, Pittsburgh, Pennsylvania, May 8, 2002.

Moore, MA. The Emerging Role of Angiotensin II in Cardiovascular Disease. Grand Rounds, Sentara Virginia Beach General Hospital, Virginia Beach, Virginia, November 19, 2002.

Moore, MA. The Emerging Role of Angiotensin II in Cardiovascular Disease. Grand Rounds, Carolinas Medical Center, Mercy Hospital, Charlotte, North Carolina, November 22, 2002.

Moore, MA. The Emerging Role of Angiotensin II in Cardiovascular Disease. Grand Rounds, Allegheny Medical Center, Pittsburgh, Pennsylvania, September 10, 2003.

Moore, MA. The Challenges of Improving Community Cardiovascular Health: A Virginia Approach—DRchip. Pediatric Grand Rounds, University of Virginia Health Science Center, Charlottesville, Virginia, June 3, 2004.

Moore, MA. The Emerging Role of Angiotensin in Cardiovascular Disease. Akron General Hospital, Akron, Ohio, January 26, 2005.

INVITED LECTURES:

Moore, MA. Outpatient Management of Hypertension. Avery County Medical Society, Mountain AHEC, Montezuma, North Carolina, May 2, 1985.

Moore, MA. The Highs and Lows of Blood Pressure. North Carolina Academy of Family Physicians, Mid-Summer Family Practice Digest, Myrtle Beach, South Carolina, July 6, 1985.

Moore, MA. Dealing with Hypertensive Emergencies and Urgencies. Family Physicians Weekend, Raleigh, North Carolina, August 3, 1985.

Moore, MA. Improving Patient Compliance. Eleventh Annual Southeastern Conference on High Blood Pressure Control, Tallahassee, Florida, October 30, 1985.

Moore, MA. Advances and Challenges for the Community Treatment of Hypertension. Second Annual Conference of the North Carolina Coalition for High Blood Pressure Control, Raleigh, North Carolina, May 22, 1986.

Moore, MA. Outpatient Management of Hypertension. Mountain AHEC Program, Spruce Pine, North Carolina, June 19, 1986.

Moore, MA. The National High Blood Pressure Education Program of the United States. Keynote address at the launch of the Quebec National Heart Association, La Fondation du Quebec des Maladies du Coeur, Quebec, Canada, May 20, 1988.

Moore, MA. Cost Considerations for the Management of End-Stage Renal Disease in the United States. Proceedings of the Workshop on Analysis of Cost and Benefit in Health Care, Bielefeld,

West Germany, 1988.

Moore, MA. (1) New Guidelines for the Treatment of Hypertension: Some Current Issues and (2) Non-Pharmacologic Treatment of Hypertension. University of North Carolina School of Medicine, Chapel Hill, North Carolina, May 6, 1989.

Moore, MA. The Increasing Incidence and Cost of Hypertensive End Stage Kidney Disease. Medical Alumni Day, University of North Carolina School of Medicine, Chapel Hill, North Carolina, March 24, 1990.

Moore, MA. Preventing Hypertensive ESRD. Preventive Cardiology Hypertension Conference, Yale University Medical Center, New Haven, Connecticut, May 10, 1990.

Moore, MA. (1) Reducing Risk in the 1990s and (2) Hypertension and the Kidney. Western Pacific Conference, Hawaii State Department of Health, Honolulu, Hawaii, May 24, 1990.

Moore, MA. Eggers P, Agadoa L, Porush JG. Hypertensive ESRD: Problem and Prevention. National High Blood Pressure and Cholesterol Control Conference, Washington, DC, April 5, 1991.

Moore, MA. Hypertension and Chronic Renal Failure. The Welch Center for Preventive Medicine Hypertension Conference, The Johns Hopkins Hospital, Baltimore, Maryland, April 10, 1991.

Moore, MA. Hypertension and Chronic Renal Failure. Sixth International Interdisciplinary Conference on Hypertension in Blacks, International Society of Hypertension in Blacks, Salvador, Brazil, August 3, 1991.

Moore, MA. Preventing Chronic Renal Failure in the Hypertensive Patient. Cardiology Conference, Regional West Medical Center, Scottsbluff, Nebraska, October 12, 1991.

Moore, MA. Physician-Patient Communication Seminar, Sponsored by the Virginia Reciprocal Underwriters, Inc., Wintergreen, Virginia, April 15, 1992.

Moore, MA. Management of Hypertension with Chronic Renal Failure. Department of Internal Medicine Weekly Conference, St. Vincent's Hospital, Indianapolis, Indiana, May 6, 1992.

Moore, MA. Preventing End Stage Kidney Disease. The Great Lakes Regional Conference on High Blood Pressure, Sponsored by the Indianapolis State Department of Health, Indianapolis, Indiana, May 7, 1992.

Moore, MA. (1) Removing Barriers to Hypertensive Patient Compliance and (2) The Increasing Cost of End Stage Kidney Disease. Region VII Cardiovascular Risk Reduction Conference, Sponsored by the Health Departments of Kansas, Iowa, Missouri, and Nebraska, Topeka, Kansas, May 13, 1992.
